6 January 1959

Dear Dan:

This will acknowledge receipt of your letter DPS-5522 dated 18 November 1958. I would like to confirm our understandings concerning the following subjects covered in your letter:

Contract No. A-101: As mentioned in Sid's and my telephone conversation with you on this subject, we believe we can just about finish our present commitments with existing funding if all goes well. We are ranking the equipment yet to be delivered in our recommended order of descending priority and will send this list to you as soon as possible.

Contract No. A-102: We have received Amendment No. 4 to this contract and are signing and returning it to you under separate cover. We are doing this with the understanding that any surplus funds under Contract A-102 may be transferred to Contract A-101 should they be needed to complete our commitments under Contract A-101.

Contract No. HF-CT-699 (New Call-Type Contract):
The schedule and general provisions to this contract have been reviewed by us and we are returning the signed copies under separate cover.

In our letter of 8 December 1958 (CMCC Doc. No. 151x5.1305) we submitted summaries of costs incurred as of 31 July 1958. We are presently preparing cost statements for the months of August through December and will submit them to you as soon as they are ready.

We have expended no funds on the following proposals:
CMCC Doc. No. 151x5.1222, 151x5.1273, 151x5.1148 and 151x5.1160.

Sincerely,

25X1A

Jack
